VISION :

Humble farmer by birth Late Padmashri Dr. Vitthalrao Vikhe Patil was an institution in himself who pioneered the first co-operative Sugar factory in Asia. He considered "Co-operative movement" as a tool for social, educational and economical upliftment of rural masses. With this idea he established "Pravara Rural Education Society" in 1964. To realize the visionary thoughts of "Padmashri", his worthy son **Hon'ble Padmabhshan Balasaheb Vikhe Patil, Ex. Union Minister for Heavy Industries & Public Enterprises**, has started number of institutes in rural area in the field of Engineering, Technology and Medical Sciences. Presently more than 35,000 students are studying in these institutes, out of which more than 5,000 Girl students are residing in hostels with social security and in atmosphere conducive for studies.

INSTITUTIONAL PROFILE :

- Degree Course in Pharmacy established in 1987.
- Post Graduation course (M.Pharmacy) established in 2004.
